PGA Riviera Maya is an impressive landscaping work in which the renowned Robert Trent Jones II has managed to create a spectacular synergy by integrating the golf course into the Mayan jungle, complete with natural lakes and cenotes.

It has a spectacular 18-hole championship golf course plus another course featuring 9 par-3 holes. The 27 holes were cut deep into a limestone quarry so that their fairways emerged from the natural contours of a dense jungle combined with mangroves.

Thanks to their environmental awareness and the use of state-of-the-art technology, the architects of the Robert Trent Jones II team managed to efficiently integrate the natural wonders of the area into the design of the course.

In 2021 it was acknowledged by Golf Digest magazine, one of the most prestigious golf publications, to be among the best resorts in Mexico and the Americas. PGA RIVIERA MAYA, the only course in partnership with the PGA of America in Tulum and powered by Troon Golf.
